Expiration Date: 0000-00-00 00:00:00

Description

American Block offers a complete line of drawworks that range from 600 HP to 9000 HP. The drawworks are lightweight, compact and meet or exceed industry standards. These drawworks are available in 2 options for power, AC or DC. The AC drawworks are offered in 5 basic models, single speed or multi speed. American Block's variety of models and customization options makes it ideal for any drilling application from onshore to offshore. Our DC drawworks are offered in 4 horse power rating and can adapt to existing substructure designs, making it ideal for retro-fit or new build applications
