

Dual-Duro Piston

from: Southwest Oilfield Products FZCO

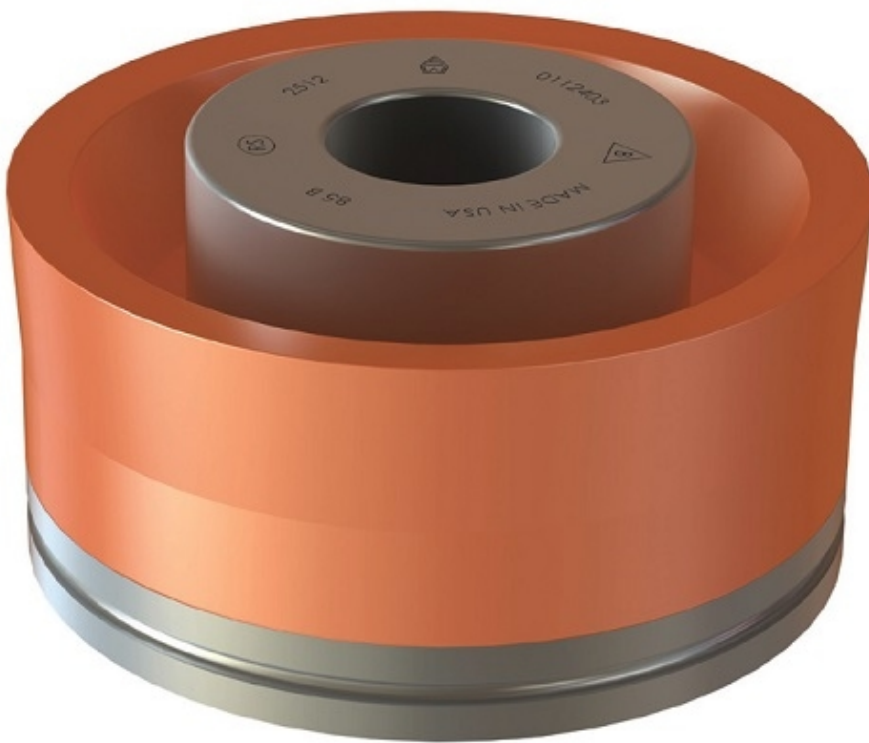

Price: \$0.00

Date: 2018-07-04 10:06:00

Expiration Date: 0000-00-00 00:00:00

Description

Southwest's Dual-Duro® piston has provided unmatched performance in extreme drilling conditions since 1985. Made of Dual-Durometer Polyurethane, this triplex pump piston is designed to resist extrusion which ultimately extends the life of the piston. Drilling operators worldwide trust the superior performance and unmatched durability of the Dual-Duro® piston.
