

Low Temperature & Cryogenic Storage Tanks

from: Vijay Tanks & Vessels Pvt. Ltd.

Price: \$0.00

Date: 2019-05-19 11:20:00

Expiration Date: 0000-00-00 00:00:00

Description

We have a Long Legacy of Experience in the Design and Construction of Cryogenic Storage Tanks which dates back to 1972, We Design Cryogenic Tanks to the API 620 & BS 7777 Code Standards for Domestic & International Customers. We provide complete Cryogenic Storage System Solutions that encompass Receipt, Storage, Handling, Refrigeration and Vaporizing Facilities. We have built India's first LNG Storage Tanks and a majority of India's Ethylene Storage Tanks.
