## Description

Sir/ Madam, Good day! Would like to introduce our company 'EMAAR INDUSTRIES LLC.' as manufacturer of Insulated Sandwich Panels , Single Skin Profile roof sheets, Z & C Purlins, Decking sheets, Ridges, Gutters, Flashings etc. The sandwich panels that we manufacture are with non-combustible 'rock wool' , Self-Fire extinguishing PIR (Polyisocyanurate), PU / PUR ( Polyurethane Foam) as core material. These panels have varied uses which range from exterior and interior applications. WE ALSO OFFER PU AND PIR SANDWICH PANELS FOR COLD STORAGE CONSTRUCTION. We have ISO certification for complying with the International Standards and our products are designed to ensure that all products and services provided by us meet variety of project demands. Please let us know if you have requirement of these materials. Thanks Mr. Venkata Sales & Marketing Manager EMAAR INDUSTRIES LLC. P,C.:133, Samail Industrial Estate Sultanate of Oman.
