

Alderley Industrial Ltd Co

PO Box 41004
Dammam 31521
Saudi Arabia

Phone: +966-13-8100262

Since the late 1950s, the companies that today make up Alderley have been at the forefront of the oil and gas engineering industry. Today, our highly skilled staff - based in the UK, Dubai and Saudi Arabia - configure and integrate any number of our systems and services to deliver the right engineering solution for your needs: from project inception and front-end design to lifetime care and maintenance.
