Jazeera Paints Company, was established in Riyadh, the capital of the Kingdom of Saudi Arabia, in 1979 AD, as a small institution with high aspirations and ambitions. In a short period of time, and as a result of the vision and dedication of the founders, the efforts have succeeded in laying strong grounds for a pioneering company in the paint industry in the GCC countries and the Middle East at large. In this context, the company became a pioneer in manufacturing and developing innovative, high quality and environmentally responsible paints, designed to meet the requirements and needs of a wide range of clients including industrial, commercial and individuals.
