P.O Box 3854
Azizia Road Al-Madar Industrial Area
Khobar 31952
Saudi Arabia

Phone: +966-3-8089637
Fax: +966-3-8089638

In 2011, STARC established Corrpower, a joint venture with Corrpro Canada. Corrpower subsequently built a manufacturing facility for cathodic protection materials in Al-Khobar, Saudi Arabia. It is now one of the key suppliers of such material in Saudi Arabia and the region. Corrpower has recently been licensed to offer corrosion control consultancy services in the Kingdom as well.
