German Metal Surface Treatment Company "SUGEST" was established in 2003 in Riyadh, Kingdom of Saudi Arabia as the specialty chemicals' manufacturing & marketing arm of Al Areefi Group of Companies. In collaboration with German Technology, their first venture was the Metal Surface Treatment Chemicals' production plant located in the 3rd industrial area, Riyadh, KSA. Today, SUGEST has grown to be one of the leading companies in manufacturing and marketing Metal Surface Treatment Chemical products in the region with more than 135 items falling under the following main categories.
