WELGRO Has Several Decades of Experience in Manufacturing Bulk Trailers for the Transport of Animal Feed, Flour Products, Granulates, Grains and Powdery Substances. We Supply an Annual Average of 120 Bulk Trailers to Customers Throughout Europe, the Middle East and Africa. All New Bulk Trailers Are Provided with a WELGRO Blower Installation That Is Fitted to the Truck. The WELGRO Blower Installation Excels Because of Its Exceptionally Low Noise Level, High Discharge Capacity and Steady Airflow. The Blower Installation Can Also Be Fitted to Existing Trucks, and Is Available in Kit Form.
