We Manufacture and Supply All Types of Reaction Vessel for Chemical, Pharma, Fertilizers, Pesticides, and Various Industries. Our Equipments are Designed, Fabricated and Constructed to Meet International Codes and Standards. Our Systems and Facilities are Certified for ISO 9001-2008 and CE Certified. Our Product Range

- Chemical Reactor
- Industrial Reactor
- Jacketted Reactor
- Reaction Vessel
- Biochemical Fermenter
- Bioreactor
- Bio Fertilizer Fermenter
- Limpet Reactor
- Stainless Steel Reactor
- Reactor Kettle
- Ribbon Blender
- Storage Tanks
- Heat Exchanger
- Chemical Blender
- Distillation Plant
- Resin Plants
- Fermenter
- Powder Blender
- Pressure Vessel
- Extractor.
