

Date: 19-Jul-2020

Dear Sir,

We looking for 1,00,000 kg Polyurethane foam chemicals (Isocynate+Polyol)for our roofing system with 40 to 50kg/m3 density for our upcoming projects.

If available, please send your best price, Technical data sheets, test reports, previous approvals, Payment terms, delivery period, etc for further steps.

Regards

Firose Khan
